

## PUBLIC TRANSPORTATION

### Utah Transit Authority (UTA) Buses and Trax

UTA schedules, bus routes, and maps can be found at [rideutah.com](http://rideutah.com), or you may call (888) RIDE-UTA. There is a UTA bus stop located directly in front of University Hospital. TRAX trains arrive and depart from the University of Utah campus approximately every 15 minutes.

The Medical Center TRAX stop is located directly across the street from Primary Children's Medical Center. You may access University Hospital by entering Primary Children's Medical Center and taking the skybridge on the 4th floor. For locations other than University Hospital, there is a bus stop across Mario Capecchi Drive from the TRAX station where you can catch a campus shuttle directly to your appointment. The shuttle will also return you to the TRAX station after your appointment.

### University of Utah Campus Shuttle

Campus shuttles are in service from 6 a.m. to 6 p.m. Campus shuttle bus information can be online by visiting [parking.utah.edu](http://parking.utah.edu) or you may call (801) 581-4189. There is no campus shuttle service on weekends or University holidays.
