

Adolescent Brain Cognitive Development (ABCD) Study

PARTICIPANT INFORMATION PACKET

Thank you for participating in the ABCD study. Here is some information we give to everyone in our research studies. If you or someone you know is having a problem with alcohol, drugs, or emotional concerns, help is available. There are many places available for help; these are just a few that may help get you started. This list is for informational purposes only; FIU and the ABCD study are not affiliated with any specific agency or endorsing the services listed here. The resources below can be private or public. Some are on a sliding scale, some accept insurance, and others are free. Please call them for more information.
